DTV Consumer Education Quarterly Activity Report

Instructions

This form should be used to provide the Federal Communications Commission (FCC) with information pertaining to all station activity to educate consumers on the transition to digital television (DTV). All stations should log DTV Transition-Related Public Service Announcements (PSAs) and other DTV activities using the appropriate house (identification) numbers. These logs or records should include the date and time that each DTV activity occurred. This form must be filed in Docket Number 07-148 as Document Type: REPORT, and placed in the station's Public Inspection File. This form must continue to be filed for each quarter in which a station has DTV Transition education obligations.

Section A (For broadcasters electing Option One)

Stations that elect Option One must place a copy of this form on the station's public website, if such exists.

On its analog channel, and its primary digital stream, a station must air one transition PSA, and run one transition crawl, in every quarter of every day. This requirement will increase to two PSAs and crawls per quarter per day on April 1, 2008, and to three of each on October 1, 2008. Stations are required to air PSAs or crawls at various times in any given day part, and at least one PSA and one crawl per day must be run during primetime hours. On-air education must not contain inaccurate or misleading statements and must be provided in the same language as a majority of the programming carried by the station. PSAs must be at least 15 seconds, and closed-captioned. Crawls must run during programming for no fewer than 60 consecutive seconds across the bottom or top of the viewing area (See rules for additional details).

Have you aired a sufficient number of eligible PSAs (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

Yes No

Have you aired a sufficient number of eligible crawls (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

Yes No

Section B (For broadcasters electing Option Two)

On its analog channel, and its primary digital stream, a station must run an average of 16 transition-related PSAs and 16 transition-related crawls, snipes, and/or tickers per week in each quarter, all between the hours of 5 a.m. and 1 a.m.. It must also run one 30 minute DTV-related informational program once, and one 100-Day Countdown piece per day for the 100 days prior to the conclusion of the transition. Comment boxes MUST be used to describe these compliant activities (See rules for additional details).

The Commission should note that during the 1st Quarter of 2009, WNDY-TV continued to educate viewers about the DTV conversion with segues to and from News Stories during our 24 Hour News 8 On MyNDY broadcasts.

Station Website Additional Activity Related to the DTV Transition – Last Quarter

Does your station have a Website? Yes No

If YES, did your station provide additional DTV related information or activities on that Website? The comment box may be used to describe what was posted on the station’s Website.

Yes No

Comments (add additional sheets where necessary):
We have a dedicated section on our website for DTV information.

We ran approximately 3,100,000 DTV awareness announcements in ad positions on our WNDY-TV website.
At our \$10 CPM rate, that’s \$31,000 in value.

The DTV section on our website has a prominent link from our home page, and in addition to the DTV information section, we feature a running countdown to DTV clock so that our viewers and web browsers will always know exactly how much time they have before the transition.

Additional DTV Outreach Efforts -- Last Quarter

Check all of the DTV related activities listed below that your station engaged in over the last quarter. The comment box may be used to describe this activity.

Speaking Engagements

Comments (add additional sheets where necessary):
WNDY-TV participated in several DTV speaking engagements during the 1st Quarter of 2009. The talks were conducted by our Engineering Department, including Director Of Engineering, Terry Van Bibber, and fellow engineers Tom Weber, Don Renollet, & Mike Pruitt. The talks were done at various sites associated with the Indianapolis Housing Agency's Senior Citizen's Housing Centers. They were as follows:
01/27/09---825 Indiana Avenue, Sr. Housing
01/28/09---Lugar Towers, 901 Ft. Wayne St., Sr Housing
